## **IT'S ALL ABOUT THE MUSIC**

Our crew and artistic mentors will make sure you spend an unforgettable time. At Ethno, participants teach one other and exchange their music. In addition, our artistic mentors, musicians Pau Baiges (Catalonia, accordionist), Håvard Enstad (Norway, cellist), Juan de la Fuente (Spain, percussionist) and Ana Concenção (Portugal, cello and voices) will conduct you while sharing, learning and arranging the music you will perform! These skilled artistic mentors will help make magic happen!

Therefore, please prepare one tune or Traditional/Folk song to present yourself and share it with the Ethno Catalonia group. This can be either a solo song if you are coming on your own, or a joint one along with your fellow band members or friends in case they are also selected to join Ethno. Also, if you would like to know who else from your country/region is coming, feel free to ask us, and we will make sure to link you up, so you can share and prepare one tune or song per country delegation to teach other participants during Ethno.

Please, make sure the songs you bring are traditional and therefore 100% free of rights and royalties!

Ethno Catalonia music workshops and rehearsals will take place both at the residence where we will be staying and at the Ateneu – CMEM ([www.ateneu.banyoles.cat](http://www.ateneu.banyoles.cat)), which is a Cultural Center, Music School and Concert hall located in the city of Banyoles. Besides this, you will play individual/groups concerts, jam sessions, dance and join various concerts and activities, and also bathe in the amazing lake of Banyoles.

The final two days will be dedicated to the Ethno Tour concerts, one in another town of Catalonia and the final concert at the Banyoles Ateneu's music hall..
